Declaration of Compliance – Aluminum Foil Products
Articles : King ref : 760715/11WF - 760715/12WF

We, Wrap Film Systems Limited, hereby declare that the products we deliver to your company, referenced by part numbers 23C89 and 24C62, are produced at our plant in Telford, Shropshire, UK, under a certified management system that complies with:

- ISO 9001:2008
- BRC/IoP Global Standard for Packaging and Packaging Materials, Issue 4.

We declare that the products fully comply with the following EU legislation in force:

- Regulation 1935/2004/EC on materials and articles intended to come into contact with food and repealing Directives 80/590/EEC and 89/109/EEC.
- Regulation 2023/2006/EC on good manufacturing practice for materials and articles intended to come into contact with food.
- Regulation 1907/2006/EC concerning the registration, evaluation, authorization and restriction of chemicals (REACH) –based on the current list of substances of very high concern (SVHC) our aluminum foil products do not contain any of these substance(s).

The total amount of heavy metals (Hg, Cd, Pb, Cr⁺⁶) does not exceed in total 100ppm in accordance with European Directive 94/62/EC.

The chemical compositions of these aluminum products is in compliance with EN 601 and EN 602 standards related with wrought aluminum alloys in contact with foodstuff.

This certificate is only valid when the products are used in normal and foreseeable conditions, provided that the handling and storage conditions are also appropriate for the preservation of the material's specific characteristics.
